

CHILDREN of  
**TERMINA**

BY  
ROZEN

An ancient tribe used the Majora's Mask,  
a magical object, *in sinister rituals*.

The troubles caused by the mask were  
so great that they sealed  
it in the darkness.

**ROZEN**

For ages, people have worn masks  
resembling the giants who are  
the *gods of the four worlds*.

Now, it has become a custom for  
each person to bring a handmade  
mask to the Carnival of Time.
